

ANTlabs Demo Policy

Dear ANTLabs partners,

Here are the list gateways that comes with demo unit:

- IG 4 Models: IG 4110, IG 4100, IG 4101 (For India only), IG 4200, IG 4210
- SG 4 Model: SG 4210

The intention is to provide a cost effective mechanism for our partners / value added resellers to obtain a demo equipment to learn about the features of our product and to demonstrate and showcase to their customers quickly. The demo policy also allows for our partner to conduct time-limited trials or proof of concepts with potential customers to help facilitate the purchase.
